Here's what is happening at Lancaster Alliance Church!

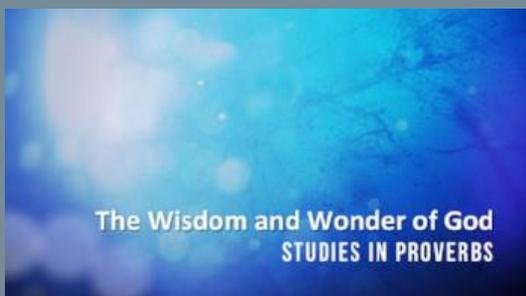

Dr. James Dobson: Dr. Dobson will be speaking in our **10:30am service**(not in the 9:00am service) this Sunday, June 24. He is in town for the board meeting of his ministry, Family Talk Radio, and will be with us that morning. Let's pass the word about this rare and wonderful opportunity to hear from one of the great Christian voices of this generation right here at LAC.

Camp Connect: One of our most vital outreaches is happening **June 25-28**. Camp Connect brings children from all over our community to LAC for memorable Bible teaching and fun experiences. Let's all be praying for this great outreach opportunity!

Church Picnic: Please mark your calendars for Sunday, **July 1**. That day we will have **one great combined service at 10:00 am** followed by a grand picnic under a huge tent on the front lawn. Plan to bring your whole family and as many friends as possible! You won't want to miss this new tradition at LAC. The Wisdom of God. The first nine chapters of Proverbs is instruction from a father to his son. Applications from these chapters are widespread and apply to many of the relationships we have in life. Proverbs 1:8-33 teaches us about how important communication is

between parent and child and how essential it is for us to pursue the wisdom imparted by our parents. The call to all of us is to step it up in our intentional investment in the younger generations. It also calls us to reevaluate our own priorities. Wisdom is the best way.

This coming week, we will hear from Dr. Dobson on how we can better disciple our children to be fully devoted followers of Jesus.
